

CAMP EMERALD BAY

Cub Summer Adventure Parent & Leader's Guide 2021

Your guide to a great adventure at
Camp Emerald Bay

Dear Cub Master/Den Leader,

Thank you for choosing Camp Emerald Bay as your 2021 Cub Scouts/Webelo Summer Adventure. We look forward to your arrival on Catalina Island. From the beauty of the surrounding hills to the incredibly clear waters of the bay and nearby coves, you will soon see why many consider this one of the finest camps in the United States.

Founded in 1925, Camp Emerald Bay has a rich history of servant leadership. Our vision as a staff is to help you and your sponsoring organization build men and/or woman of character in a fun and safe place. We are committed to providing each Cub Scout a program that inspires them to have a genuine interest in protecting the environment, caring for their community, and growing into responsible adults.

Under your leadership Webelos are embarking on an adventure to explore opportunities unlike any other. This may well be their first time away from home. Your guidance will be vital to ensure a positive and rewarding outdoor experience. The camp staff is here to help you achieve success in your role.

By preparing for camp your Cub Scout will get the most out of their investment. We do ask that you act as a first source of information for the parents of your unit. This book should answer most of the basic questions but, if not, we will be holding a Leaders' Meeting in the spring where you can clarify any remaining questions.

You can also email us any time at camping@bsa-la.org.

The camp continues to build upon the tradition of excellence in servant leadership and will provide youth experiences that they can only have in the Cub Scouts and at Camp Emerald Bay. We are very excited about the summer of 2021, and look forward to serving any of your needs during your week at Camp Emerald Bay.

Sincerely,

Camp Staff 2021

Getting To Camp

As part of the registration fees Camp Emerald Bay charters a ferry to take you and your Packs to and from camp. **Camp Emerald Bay assumes no responsibility for transportation to and from the ferry terminal.** Packs traveling by plane to Los Angeles should fly into LAX or Long Beach airport and arrange transportation with Super Shuttle (www.supershuttle.com) or another transportation service.

Units or individuals that drive can park at the terminal. Parking will be anywhere between \$16 and \$20 per day, with no weekly rate. Free parking is available (no security is provided) in the parking lot which serves the Ports O' Call restaurant, about 2 miles Northwest of the terminal. Drivers can arrange with each other to carpool from there to the Terminal.

Terminal Location and Time:

All units depart from San Pedro, Berth 85 (next to the USS Iowa) at 7:30am on Sunday, July 11, 2021. Please arrive early for check in by 7 am. Please note there will be other Scouts BSA units as well as High Adventurers coming out with your Packs and Dens.

Dress Code:

We ask that all troop members are in Field (Class "A") Uniforms for the duration of travel to and from Camp Emerald Bay as well as during dinner. Pack Class B (Activity Uniforms) can be worn throughout all other times while at camp.

Boat Details:

All boats are Coast Guard certified passenger vessels that make for a quick, clean, and safe journey. Participants may be brought directly to the Emerald Bay dock. We ask that all Scouts listen to instructions over the camp P.A. system and assist us in the unloading of gear.

Luggage:

We highly recommend all participants use a duffel bag no larger than 14" X 36" at a maximum weight of 50 lbs. Please remember that others will be handling your bags to unload them from the boat. Any breakable items should be kept in a separate carry-on item. Please do not tie anything to your bag or tie any bags together as it could harm those who are unloading the luggage. We request that troops mark all luggage with their Troop Number and Council initials on duct tape so it is easy to identify the bags. Please make the markings large and obvious.

The First Day

The adventure continues the second you step off the boat at Emerald Bay. The first day's activities will set the tone for your Pack's week at camp. Make sure to ask plenty of questions and communicate with your Rangers so they can make your experience here one you won't forget.

Ranger Introduction and Gear Line:

Your pack will be assigned a Ranger, or Troop Guide, to work with the den leaders in order to ensure your pack gets the most out of their Emerald Bay experience. The Ranger will gather your pack as you exit the docks and walk you through the process of unloading gear.

Camp Sites:

All located along both sides of the main camp road in a beautiful valley setting. Each campsite is equipped with tents and cots for all attendees, a picnic table, bulletin board, and some form of shade.

Sun:

Sunday can be a long day and you will be in the sun quite a bit. Be sure to keep Scouts well hydrated and help remind everyone that sunscreen will be an important safety tool throughout your stay at camp!

Emergency Drill:

Once your Pack has moved into their campsites you will hear the camp siren (a loud wailing sound) announcing an emergency drill. Please be prepared to bring your Pack, quickly and safely to the main parade ground. There the Pack will line up in front of your sign and await further instruction

EMERGENCY PROCEDURES

Fire and Lost Bather Drill (LBD)

Signal—a series of 2 to 5 second wails from the camp siren

All clear—A single long wail on the camp siren

Just as we will practice in the Emergency Drill, at the sounding of the siren all scouts and leaders will report to the parade ground quickly and safely. Once each unit has assembled in a line the Scoutmaster or SPL will report their attendance to the designated staff member. All units will remain on the parade ground until the ALL CLEAR has been sounded.

Major Accidents and Emergencies:

In the event of a major accident, health-related emergency, or serious illness please report the incident to the nearest camp staff member. Be as specific as possible and relay only factual, pertinent information. If the emergency occurs during the night please go to the Camp Director's house or any staff housing to seek assistance.

Water Emergencies:

If an emergency occurs on the water please come back to the dock and notify the closest staff member. If unable to return to the dock contact the closest boat and have them report to camp via phone or on marine channel 68.

Camp Emerald Bay's remote location causes approximately a 15-30 minute delay for EMS response. The closest hospital is 30-45 minutes by helicopter and up to 90 minutes by boat. The Emerald Bay Health Lodge is staffed by a volunteer physician who is on call 24 hours a day to assist in case of an emergency. The physician will also hold set office hours after breakfast and dinner for all non-emergent conditions, but should not be considered a substitute for troop first aid.

In the event of an extreme emergency or severe injury the camp has an agreement with the hospital in Avalon and the L.A. County paramedic and lifeguards located in nearby Two Harbors. With their help we are able to evacuate injured parties to Avalon or, if necessary, helicopter them to a mainland health center for emergency treatment.

Phone: For Emergencies Only—310-510-1795

This number is not for reaching troops or troop members except during emergencies. Phone service will be made available for Pack Leaders upon request.

DINING HALL PROCEDURES

The central dining hall at Camp Emerald Bay can feed over 800 people; please help us by following these procedures to ensure a safe and efficient mealtime.

Waiters—Pack waiters are an important part of meals at Emerald Bay and a lesson in service to others while at camp. Waiters are responsible for setup before and cleaning after each meal. Please send 1-2 waiters per pack to the dining hall twenty minutes before each meal; all waiters check in with the Dining Hall Manager upon arrival and out before dismissal.

Announcements—Please ensure your pack assembles at least five minutes prior to listed mealtimes for announcements, colors (breakfast and dinner), and grace.

Grace— Grace is said at each meal.

Colors— As a camp we will gather to post and retire the colors each day before breakfast and before dinner.

Entry—The Camp Emerald Bay Dining Hall Manager will call units in immediately following grace. We try to be fair to everyone on order of entry, so no troop should ever be always first or always last. Please address any concerns to the Dining Hall Manager or, if the problem persists, the Emerald Bay Program Director. Two hand sanitizing stations are provided upon entry. We will ask each participant to make use of these before entering for each meal.

Leaving the Table—Once Cub Scouts have finished eating their food they are to clean up their area.

Uniform—Please make sure all Scouts wear their field uniform for dinner.

Dietary Restrictions—Please fill out a Special Request Form and contact the Program Director with any dietary restrictions at least 2 weeks in advance to your arrival to camp at linnea.heinstedt@scouting.org.

MAIL SERVICE

One of the best parts of the camp experience for all Scouts is receiving mail and care packages from home. Very little mail is delivered directly to camp so our staff will pick mail up each day and have it ready for your pack by 4:00 PM. **All mail must be picked up by an Adult Leader at our Purser (Camp Office).**

Outgoing mail is to be deposited in the mailbox at the Purser's Office no later than 11:30 AM each day.

Note: Mail sent to Catalina Island by U.S. Postal Service, including Express Mail, takes 1-2 days longer than normal. For faster service please use UPS or FedEx Air. We recommend that if you are to send mail to your scout you do so the Tuesday before the expected arrival of your scout.

SHIP'S STORE

The Emerald Bay Ship's Store is your one stop shop for all of your at-camp needs. From snacks, drinks, and candy to camping sundries, Scouting supplies, and souvenirs the Ship's Store has everything you need to make your week at camp a memorable one. In addition the Ship's Store provides rental locks, and lanterns to help make your week a success. We recommend that Scouts bring between \$25 and \$50 each to pay for souvenirs, snacks, supplies, and gear rentals during the week. Many packs have an adult leader supervise a banking system to help Scouts control their spending. While we have no requirements for the use of a banking system it is recommended. The camp has lockers available for troop use as well as locking boxes that can be checked out free-of-charge from the Ship's Store. Please use only one locker per troop. In the spring we will announce details of our Ship's Store pre-order program. By pre-ordering your shirts and other items you can ensure your pack is fully outfitted for Camp. If your troop has any special requests for souvenirs or other items you would like to see featured in the Ship's Store please email ebclerk@gmail.com.

CAMP EXPECTATIONS

Every community has a set of standards to function safely and comfortably while encouraging a fun learning environment. Below are important points to keep in mind while at camp.

Uniform:

The uniform helps to establish a sense of belonging and a certain measure of safety in the camp environment. As such, Scouts and leaders must wear the field uniform for evening colors and the activity uniform for breakfast and lunch. The activity uniform can be any Scout t-shirt and shorts. During the day all Scouts are requested to wear a Scout shirt. Open-toed sandals, while not suggested, can be worn during the day for waterfront activities.

Buddy System:

Everyone must follow the Buddy System while in and out of camp. Guests should have a buddy for all activities and may be asked to return to their campsite if found without a buddy.

Honor Box:

Two Honor Boxes exist at Camp Emerald Bay; one at the HELM and the other at the entrance to the WATERFRONT. These boxes are used as camp Lost and Found. Please turn in any found items to these areas. Valuable or delicate items should be turned in to the Ship's Purser next to the Ship's Store.

Note: We do not keep any lost and found items at the end of the summer.

Hazing:

Hazing is prohibited both at Camp Emerald Bay and by law. Defined as any action taken or situation created which recklessly or intentionally endangers the mental or physical health or safety of any person or which willfully destroys or removes public or private property in order to initiate, admit into, or affiliate a person with an organization or membership; hazing will not be tolerated at Camp Emerald Bay and may be grounds for immediate dismissal from Camp.

Off-Limits Areas:

- We ask that all attendees of Emerald Bay avoid certain areas of camp. Those areas include:
 - Staff areas: lounge, cabins, laundry area.
 - Any area when designated as closed: Waterfront, Pennington Marine Science Center, Field Sports.
 - Other troop campsites: please only send an SPL or adult into another campsite if necessary.
 - Adult and Scout showers are labeled and to be kept separate.
 - The camp Water Tank and helipad is strictly off-limits.
 - The camp maintenance yard and the wash area (unless with a class).

Damaged Property:

A pack will be charged for any equipment its members damage or destroy. When the week begins camp commissioners inspect, circle, and initial all new rips and holes in tents. At the end of the week camp commissioners will again come through campsites to inspect for any new damages. These damages will be recorded and charged to the unit using that tent. We recommend you report any damages directly to camp staff within 24 hours of your arrival. Any rips in tents will be charged to the troop at a cost of \$20 per inch.

Cleanliness:

Please help us to keep camp clean. Packs are responsible to keep their campsite, tent platforms, and other used areas clean throughout your stay. Please make sure Scouts use trash cans and recycle when possible. For any major cleanliness issues please contact the maintenance crew as soon as possible.

Cell Phones, Pagers and Walkie-Talkies:

We recommend leaving cell phones off and stored safely in the Troop locker or lock boxes. Scouts will be asked to put any such devices away by the Emerald Bay staff. For adults, if you maintain possession of your cell phones, please keep it on silent or vibrate if you are near camp programming.

Smoking Area:

Smoking is absolutely forbidden for any Scouts in camp. Adult smokers may partake in one area of camp only. This area will be designated during the Opening Leader Meeting and we ask that you help us maintain vigilance. **EMERALD BAY IS AN EXTREME FIRE DANGER ZONE AND WE ASK EVERYONE'S HELP IN MINIMIZING RISK.** You can do so by ensuring all who smoke do so only in the designated area.

**EMERALD BAY
ASSOCIATION**

Welcome to the Emerald Bay Association!
